

SACRAMENTS JEOPARDY!

GAME RULES

Object of the game

Your goal is to answer the Sacraments Jeopardy! questions correctly. Players earn points for correct answers and lose points for incorrect answers. The team with the most points after the Final Sacraments Jeopardy! question wins!

Daily Double

Two spaces on the grid are secret Daily Double Questions. If a team picks one of these spaces, it can wager any amount of points up to their current score. If the team answers correctly they earn those points; if they answer incorrectly they lose those points.

Play

We will divide into teams. You will have 15 seconds to answer the question when it is your turn.

- › The first team picks the first category and point value. After the question is read, the teams will either buzz in, or the team whose turn it is will answer the question.
- › Teammates may discuss among themselves the answer to the question and choose a spokesperson to give the answer.
 - » If the answer is correct, the team earns the point value of the space.
 - » If the answer is incorrect, the team loses the point value. The team whose turn it is next or who buzzes in next is given a chance to answer.
 - » The team who gives the correct answer chooses the next category and point value.
 - » If no team gives the correct answer, then the team whose turn it is next chooses the category and point value.

Double Jeopardy!

When all categories in the first round are used up, begin the second round of Double Jeopardy! where the point values are even higher. Follow the same rules as the first round.

Final Jeopardy!

At the end of the second round, any team with a positive score plays in Final Jeopardy! The host will give the players a category and each team can wager any point value up to their current score. After wagers have been made, the host will read the question and allow 30 seconds for the teams to write down an answer. Each team will then read their answer and gain or lose points based on their wager. The team with the highest score at the end of Final Jeopardy! wins.
