

# CAR

## *Conversations*

---

**Spring is here!** As you drive, look around and point out signs of new life. Connect the new blooms to the promise of new life in Christ.

---

We are on the road to somewhere right now in this car. To what place are we “on the road” in this life? Talk about how **we are on the way to heaven!**

---

If you know that a road leads somewhere important, do you treat it like any other road or take better care of it? Why? **What does that teach us about how to care for our own bodies and all of God’s Creation?**
