Which is your favorite Corporal or Spiritual Work of Mercy? Are there any Works of Mercy that seem hard to do? Why? **Choose one Work of Mercy and do it today.**

The Beatitudes are paradoxical promises. Paradoxical means something that seems like a contradiction or goes against common sense. For example, it is hard to understand how those who mourn are blessed or happy! This is because the Beatitudes are promising the happiness in Heaven that lasts forever. **Why do you think that the happiness of Heaven often contradicts the happiness of this world?**
