Take-Home Activity

Activity:

- Jesus Feeds Our Bodies and Souls Craft Activity

Materials:

- Paper plate
- Glue stick
- Scissors
- Crayons, markers, and/or colored pencils

Directions:

Ask your child to tell you about the miracle he or she learned about in class and how Jesus fed five thousand people. Read together Luke 9:10-17, the miracle of the loaves and the fish, if needed. Have your child color and cut out the loaves and the fish and glue them onto a paper plate.

Then have your child color and cut out the chalice, plate, and bread. Explain that these items would have been found at the Last Supper and are still used at every Mass. Read together the account of the Last Supper found in Matthew 26:17-20, 26-30.
