Family Talk Time

What ways can every mother try to be like Mary? What ways can every father try to be like St. Joseph?

Prayer to say as a family this week:

Blessed Joseph, be with us this day. Just as you protected and loved Mary, and cared for Jesus as your son, watch over and protect the Church, the family of God. Be with us in our trials and pray for us so that we may grow in holiness and, after our death, have eternal joy in Heaven. Amen.
