Family Talk Time

Do you think it was hard for the people who saw Jesus’ miracles to believe what they were seeing? If you saw a miracle how do you think you would feel?

Prayer to say as a family this week:

Heavenly Father, open our ears, our minds, and our hearts to understand your word today. Help us to understand your heavenly kingdom and guide us so we may enter into its promises. We ask all these things in the name of your Son, Jesus Christ. Amen.
