Family Talk Time
What do you think is the most beautiful thing about your church?

Prayer to say as a family this week:
Jesus, I want to answer your call and become one of your disciples. I want to follow wherever you lead me. Help me not to be afraid to say yes to what you ask of me. Amen.

This week, your child learned that:

- Jesus chose twelve men to be His Apostles, whom He sent to carry out His mission — the salvation of souls.
- The Apostles were the first bishops and have started the line of apostolic succession. St. Peter has a place of primacy among the Apostles.
- The worldwide Church is led by the pope and is organized into dioceses, led by bishops, and parishes, led by pastors and priests.
