Family Talk Time

Who are some Saints that you know who were great examples of performing the Corporal Works of Mercy? How can you be like them?

Prayer to say as a family this week:

Dear Jesus, help us to serve the poor and the needy, and all those suffering from physical ailments. Where there are hungry – let us feed them. Where there are thirsty – let us give them drink. Where there are the naked – let us clothe them. Where there are homeless – let us shelter them. Where there are the sick – let us visit them. Where there are the imprisoned – let us visit them. Where there are the dead – let us bury them. Help us to remember that when we serve the least of your little ones, we are serving you, Our Lord. Amen.
