Family Talk Time

How do you think you can distinguish good rules from bad rules? Can you think of some of the rules in your house? How are they motivated by love?

Prayer to say as a family this week:

For those who are poor in spirit, we ask God’s blessing.

For those who mourn and whose hearts are saddened, we ask God’s blessing.

For those who hunger and thirst for righteousness, we ask God’s blessing.

For the poor and the lonely, we ask God’s blessing.

For those who are persecuted for the Faith, we ask God’s blessing.

For those who protect us, we ask God’s blessing.

For any and all those who need our prayers, we ask God’s blessing. Amen.
