This week, your child learned that:

- The Old and New Testaments together make up one story known as Salvation History.
- The Old Testament is the history of God revealing Himself to His people in preparation for the sending of His son, Jesus.

Family Talk Time

We need the Old Testament in the Bible in order to fully understand who Jesus is in the New Testament. Why do you think this is the case?

Prayer to say as a family this week:

Our Father in Heaven, we love you! Lead us to an encounter with you in your sacred Word. Amen
