Family Talk Time

Why do you think the Sacrament of Marriage forms an unbreakable bond? Why are families so important to the Church and society?

Prayer to say as a family this week:

O my sweet Jesus, eternal wisdom, I am yours, and all I have is yours, through Mary your mother. Amen.

This week, your child learned that:

- Marriage forms an unbreakable bond of love between husband and the wife.
- Marriage is unique among the Sacraments in that the recipients of Holy Matrimony are also the ministers of the Sacrament.
- The matter, form, minister, and effects of the Sacrament of Holy Matrimony are based in Scripture.
