This week, your child learned that:

- God is love and He loves us.
- Good parents love and protect their children. We are God's children, and He loves and protects us.
- Guardian angels help God protect us.

Family Talk Time

What can you do to be good like God? Why do you think God gave you a guardian angel?

Prayer to say as a family this week:

My God, I love you with my whole heart, with my whole soul, and with my whole strength. And I love my neighbor as myself. Amen.
