Family Talk Time

Can you think of days in our lives that we joyfully celebrate in a special way? What kinds of ceremonies do we have to make these days special? Why do you think we need these ceremonies or traditions?

Prayer to say as a family this week:

O Holy Spirit, make me a faithful follower of Jesus, an obedient child of the Church, and a help to my neighbor. Give me the grace to keep the commandments and to receive the sacraments worthily. Raise me to holiness and to everlasting life. Amen.
