Family Talk Time

Why do you think silence is so necessary for our prayer life? How is it also necessary in other parts of our life?

Prayer to say as a family this week:

Our Father in Heaven, we love you!
Lead us to an encounter with you in your sacred Word. Amen.

This week, your child learned that:

- Silence is an important part of a successful prayer life and being able to hear the Word of God.
- God’s Word is alive, able to cause change in those who hear it, and speaks directly to the “reflections and thoughts of our hearts.”
- We can pray with Scripture through Lectio Divina, which means “divine reading.”
