If you were telling somebody about the Christian faith, how would you start? What important things would you make sure to tell them?

Prayer to say as a family this week:
Dear Father, you have revealed your great love for us through all time, in word and in deed. The greatest sign of your love for us is the gift of your son. Please help us to know you, to love you, and to serve you so that one day we can be with you in Heaven. Amen.
